Fw: COPART #2441854323 - Builders Risk

Monica,

I wanted to report the below new building in the course of construction at Copart Yard #36 which is located at: 31W120 W. Bartlett Road, Bartlett, IL 60103.

The estimated completed value is \$750,000, all steel construction, estimated 3 week completion time.

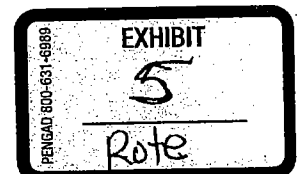

I believe that the \$1,000,000 policy limit for newly constructed real property should adequately cover this situation, but would you please confirm and let me know as soon as possible if you require any additional information for this new project.

Thanks,

Patrice McIntyre

Builders Risk

To

cc

Subject

Patrice,

We have a building going up at Yard #36 in Chicago (Bartlett) Illinois.
The foundation is done. It is estimated to be a 3-week project @ \$750,000
for a 80 x 160, all steel building.

What other information do I need to provide for the Builders Risk Insurance
to be issued.

Please Advise,
